Dear Patient

You are invited to attend for a seasonal flu injection on the date above and between the times stated. This vaccine is free to those who receive this invite and is recommended by your GP and the Department of Health. Please discuss any concerns you may have with a GP or Practice Nurse before attending as it will not be possible to discuss queries during the clinic.

Please see the following information for this year's flu clinic where provisions will be made to minimise the risk of transmission of Covid-19 and to ensure the clinics run quickly and efficiently:

- Only attend the date and time slot allocated to avoid over crowding
- Queues will be managed to ensure social distancing, using a one way system
- Hand sanitiser to be used before entering the surgery
- Face coverings to be worn
- Wear a short sleeve top and ensure the top of your left shoulder is completely exposed ready for vaccination.

Information on this year's flu campaign will also be available on our website at [www.oaklandshealthcentre.com](http://www.oaklandshealthcentre.com)

**IF YOU DO NOT WISH TO HAVE A FLU INJECTION PLEASE SIGN BELOW AND RETURN THIS LETTER TO THE SURGERY. NO FURTHER REMINDERS WILL BE SENT TO YOU THIS SEASON**
